**MINUTES  
TOWN OF EDGEWOOD  
PLANNING & ZONING COMMISSION MEETING  
JANUARY 20, 2015 AT 6:00 PM  
27 E. FRONTAGE ROAD, EDGEWOOD COMMUNITY CENTER**

**1) Call to order-Roll call.**

Chairman Gabel called the meeting to order at 6:00 PM.

Commissioners Present: Brad Gabel, Leonard Navarre, Pat Markley

Commissioners Absent: John Carpenter

Staff Present: Stephen Shepherd, Kay Davis-McGill, Robert White Attorney, Tracy Sweat

**2) Approve Agenda.**

Chairman Gabel indicated he would entertain a motion to approve the Agenda.

Commissioner Navarre made a motion to approve the Agenda; his motion was seconded by Commissioner Markley.

**Action:** Chairman Gabel voted aye. Commissioner Markley voted aye. Commissioner Navarre voted aye. The motion carried.

**3) Presentation by Mayor Brad Hill.**

Mayor Hill indicated there will be two appointments made at the first Council meeting in February and asked the Commission to postpone their Organizational meeting to their second meeting of February. He then polled the Commissioners for their preferences of full or alternate membership for the next year; all agreed to serve as regular members. Mayor Hill apologized for the delay, thanked the Commissioners for their willingness to serve, and asked if there were any questions.

Chairman Gabel asked about Commissioner Carpenter's status as a Commissioner.

Mayor Hill indicated he may have another project he would like to ask Commissioner Carpenter and his wife Roxie Carpenter to consider. He added he may appoint Commissioner Carpenter as an alternate on the Commission which would help to prevent any conflicts if the Carpenter's agree to take on the other project.

**4) Approval the Minutes of 12/16/2014**

Chairman Gabel asked if there were any changes or corrections required; hearing none he called for a motion.

Commissioner Markley made a motion to approve the Minutes as presented; his motion was seconded by Commissioner Navarre.

**Action:** Chairman Gabel voted aye. Commissioner Markley voted aye. Commissioner Navarre voted aye. The motion carried.

## **5) Public Hearing**

**Quasi Judicial Procedure: Certification that public notice of this meeting has been posted as required:**

Ms. Sweat confirmed it had been posted as required.

**This case is being heard under provisions required by the New Mexico Court of Appeals intended to protect the rights of all parties and their witnesses and the swearing in of all parties giving testimony. The affected parties will have the right to cross-examine persons giving testimony**

Chairman Gabel reminded the Commission of their role for this Minor Subdivision Application Hearing as Review and Decision.

**Confirmation of no conflict of interest or ex-parte communication.**

Chairman Gabel asked for confirmation from each the Commissioners regarding conflicts of interest and ex-parte communication.

Commissioner Navarre confirmed no ex-parte communication or conflict of interest.

Commissioner Markley confirmed no ex-parte communication or conflict of interest.

Chairman Gabel confirmed no ex-parte communication or conflict of interest.

**Request for Minor Subdivision Plat, Lot 1 and the Southeast Quarter (SE ¼) of the Northeast 1/4 of Section 6, T10N R7E N.M.P.M., creating three lots from 78.60 acres, zoned R-1 Residential located at the SW corner of Nugent Road and Broken Arrow Trail.**

Chairman Gabel reviewed the process for a Public Hearing and called for the swearing in of all parties to give testimony. At this time staff and Mr. Ralph Hill, were sworn in. He then asked the applicants' agent, Mr. Youtsey, if he would like to present information and if so stated he would need to be sworn in.

The applicants' agent declined to be sworn in, stating he was present to observe on behalf of the applicant.

Mr. Ralph Hill indicated he owned and had developed property in the area and felt this applicant would continue with the quality work seen nearby.

At this time Mr. Youtsey was sworn in.

Mr. Shepherd read portions of the staff report into the record adding he had mistakenly requested a review from Santa Fe County Fire which is not required for a Minor Subdivision.

Chairman Gabel called for questions regarding the Staff Report.

Commissioner Navarre asked if the requirement for Certification from the County Treasurer regarding the past ten year of taxes was relevant for this application.

Mr. Youtsey stated the language did appear on the plat.

Ms. Davis-McGill stated this would be performed prior to recording.

Chairman Gabel stated he had a couple of questions from the General Provision as required for both Minor and Major Subdivisions, specifically Section 6.B.1. of the Subdivision Ordinance regarding Suitability for subdivision related to geography and flooding.

Mr. White agreed that in general this was an appropriate consideration and is applicable to all Subdivisions. He added the specific requirements for drainage and flooding are reserved for Major Subdivisions but suitability for subdivision is appropriate without getting into specifics in this case.

Chairman Gabel asked Mr. Youtsey if there were any issues related to the geography of the land including drainage and access for emergency services.

Mr. Youtsey responded that given the large lot size and access to Nugent Road by all three resulting lots, the subdivision would not impact these features.

Chairman Gabel stated there appeared to be a couple of oversights regarding the plat requirements. He asked if the zoning of the adjoining lots was listed on the plat as required in Section 9.C.4.c.6.g.

Mr. Youtsey responded it was not.

Chairman Gabel indicated this would need to be added. He also asked if the language required in Section 9.C.4.c.11, appeared on the plat.

Mr. Youtsey responded this was not mentioned during the meeting with staff as a requirement and therefore was not on the plat.

Ms. Davis-McGill stated they were going by the plat requirements for a minor subdivision.

Chairman Gabel responded that the plat requirements for a minor subdivision refer to requiring all the same format related requirements as a major subdivision final plat found in Section 8.A.1. He asked for Mr. Whites input.

Mr. White agreed there is a conflict between the Final Plat requirements and the requirements for a Minor Subdivision Plat as found in 8.C.3. He continued stating that in the law specifics generally rule over the more general and he felt they were trying to describe the format and look of the plat and not the

contents. He stated he would like to look into it some more but felt that for the purposes of this application the specific requirements as listed under Section 8.C.3 will control.

Chairman Gabel asked if this would speak to both the adjacent zoning and easement language.

Mr. White confirmed it did because there is a lesser standard in the Minor Subdivision Plat requirements.

Chairman Gabel stated that referring to the contents of the Final Plat in Section 8.A.1 is confusing if the requirements are going to be specifically outlined later in Section 8.

Mr. White stated they could look at clarifying this and felt defining the word "format" would also be helpful. He added if there had been a different intent for format then there would not be two different criteria spelled out for the Minor vs the Major Plat. The fact that specific requirements have been called out separately for each type of plat indicates that the format was intended to lend consistency for recording with the County Clerk.

Chairman Gabel stated these items may be something they want to consider adding to the Minor Subdivision requirements in the future.

Chairman Gabel asked if the Commission had any additional questions; hearing none he called for questions or comments from Staff.

Mr. Shepherd stated he did not have any questions and recommended approval of the Minor Subdivision.

Chairman Gabel closed the Public Hearing, moved into deliberations and reviewed the process. He then called for discussion,

Commissioner Markley stated it appears to be consistent with the current use in the area. He added the Subdivision would not diminish the emergency services since the roads are in place as well as utilities with the exception of sewer but with the large lot sizes, septic tanks could be used.

Commissioner Navarre did not have comment.

Chairman Gabel stated he would entertain a motion and reminded the Commission that it would need to include the application number and the legal description.

Commissioner Markley made a motion in the matter of application 2015-01 SU Minor Subdivision Application for the SE ¼ of the NE ¼ of Section 6, T10N, R7E N.M.P.M. be approved; his motion was seconded by Commissioner Navarre.

**Action:** Commissioner Navarre voted aye. Commissioner Markley voted aye. Chairman Gabel voted aye. The motion carried.

Chairman Gabel added for the record that no action shall be taken on the subdivision until it has been signed and recorded in Santa Fe.

**6) Findings of Fact for Zone Change 2014-01: Adams, requesting C-2 zoning for three lots currently zoned R-1 located at 2006 Old Highway 66 Tract E-2 (1 acre) in Section 27 T10N R7E.**

Chairman Gabel reviewed this item for the Commission and asked Mr. White if the Witnesses Signed Up and Testifying was required to be listed on the Findings.

Mr. White agreed this did not need to appear on the Findings as long as the information regarding the date and time of the Public Hearing remained.

Chairman Gabel requested Items 2.1 and 2.2 be removed from the Findings prior to signature.

Commissioner Navarre made a motion to approve the Findings of Fact for the Adams request for a Zone Change with the modifications as recommended

Chairman Gabel suggested an amendment to the motion adding the case number 2014-01ZC.

Commissioner Navarre amended his motion to include the case number 2014-01 ZC; his motion was seconded by Commissioner Markley.

**Action:** Chairman Gabel voted aye. Commissioner Markley voted aye. Commissioner Navarre voted aye. The motion carried.

**7) Findings of Fact Zone Change 2014-02: Doyle, Diane Stearley, Agent, requesting C-2 zoning for two lots currently zoned R-1 located at 2008 Old Highway 66, Tracts 2 (.333 acres), and 3 (.566 acres) in Section 27 T10N R7E.**

Chairman Gabel reviewed this item and requested the same modification be made to remove items 2.1 and 2.2. He added that Staff was unable to acquire verification of the setbacks as listed in the conditions for approval and asked staff to respond.

Mr. Shepherd stated that he visited the site with Ms. Sweat and they were unable to locate any property markers or verify the building setbacks. He added the applicant has proposed a request for a Zone Map amendment based on the property being zoned commercial prior to the Towns incorporation. The applicants' agent feels the Commercial Zoning should have carried over at the time the property was brought into the Town. Ms. Stearley is in the process of collecting evidence to this point. He stated they will look at the tax rate the lots are currently being billed at as well as the evidence from the County as to the previous zoning.

Chairman Gabel suggested the applicant should withdraw their request in light of the fact that neither of the conditions for approval can be met at this time and requesting input from Mr. White.

Mr. White responded the Commission had granted the Zone Change with the condition that the setback issues be addressed. Since these conditions to effectuate the Zone Change were not met, the zoning

shall not be changed. He continued stating approval of their Findings with the conditions not being met would deny the Zone Change but that a withdrawal from the applicant would serve to clean up the process as well.

Chairman Gabel indicated he was concerned about kicking it forward to the Council where they will be required to make a decision since the Commissions role is simply to review and recommend.

Mr. White stated when the application is heard by the Council it would still be denied because the conditions were not met. He added the Findings reflect the action the Commission took and they would need to make a decision on them but that acquiring a withdrawal from the applicant would wrap it up without any further action.

Chairman Gable proposed the Commission approve these Findings pending any further discussion to bring this to a definitive close.

Commissioner Navarre asked if they should be approving it without the conditions having been met.

Chairman Gabel clarified they are approving the Findings of Fact as they had already recommended the Zone Change approval pending the conditions as stated. Without those conditions having been met, the zone change would not be recommended based on the Findings.

Mr. White agreed the Finding represented the action taken by the Commission and they would need to make a decision on them to complete the necessary record. The effect is that there will not be a Zone Change because the conditions were not met and it will terminate more quickly with a request for withdrawal.

Commissioner Navarre made a motion to approve the Findings of Fact for a Zone Change 2014-02 pertaining to Section 27 T10N, R7E; his motion was seconded by Commissioner Markley.

Chairman Gable requested an amendment to the motion to include the removal of items 2.1 and 2.2.

Commissioner Navarre amended his motion to strike 2.1 and 2.2.

**Action:** Chairman Gabel voted aye. Commissioner Markley voted aye. Commissioner voted aye. The motion carried.

- 8) Public Comment. Limit to 2 minutes per person. Note: If you plan to speak under Public Hearings, please do not sign up for this topic.

None.

- 9) Matters from the Chair and Commission Members.

Chairman Gabel stated he had met with Commissioner Markley over the weekend to help introduce him as a new member to the procedure, conduct of business and public hearings.

There were no other matters from the Commission.

**10) Matters from Staff.**

Discussion of Performance-Based Setback process and application.

Mr. Shepherd stated the Performance Based Setback application is new to this Ordinance and therefore a form would need to be created. He added they had put together a draft application for the Commission to look at and would like to work with them in establishing a process.

Chairman Gabel added a Performance Based Setback request could come in associated with other applications as well as at the time of a single lot development which would not come before the Commission for review. The concern is the level at which the P & Z will interact with a Performance Based Setback request. He suggested the Commission review the draft application and then discuss the process at the next meeting.

Mr. White stated he would look at the three examples presented as well as the application and be prepared to discuss at the next meeting.

**11) Calendar Update.**

Chairman Gabel stated the next regularly scheduled meeting is February 3, 2015. He asked if there were any pending applications.

Ms. Sweat responded there were none.

Chairman Gabel suggested they could work on the Performance Based Setbacks during the next meeting.

**12) Adjourn.**

Commissioner Navarre made a motion to adjourn.

**Action:** Chairman Gabel voted aye. Commissioner Markley voted aye. Commissioner Navarre voted aye. The motion carried.

Chairman Gabel adjourned the meeting at 7:12 P.M.

any other civil or criminal penalties provided by law, result in denial of the proposed Subdivision.

#### **SECTION 7. PREAPPLICATION CONFERENCE.**

- A) APPLICATION REVIEW.** In an effort to expedite the Subdivision process, all applicants seeking to subdivide land pursuant to this Ordinance shall submit a Sketch Plat and attend a preapplication conference with the Planning & Zoning Official to discuss the procedure for obtaining approval of a Plat prior to submission of its Preliminary Plat to the Planning & Zoning Commission. The Planning & Zoning Official shall also provide guidance to the applicant regarding any perceived conflicts between the proposal and the Town Comprehensive Plan, other Town land use plans, policies, zoning, and whether the proposal qualifies as a Minor Subdivision. The Planning & Zoning Official shall advise the applicant as appropriate regarding requirements for general layout of Public Ways, Public Right-of-Ways and Roadways/Streets, dedications of land, provision of infrastructure improvements, drainage considerations, fire protection, and similar matters, as well as the availability of existing services. The Planning & Zoning Official may assist the applicant in analyzing the development and plan for its sound integration with the Town, and may therefore give informal guidance to the applicant at a stage when potential points of difference can be more easily resolved, thus simplifying official actions and reducing unnecessary expenses and delays for the applicant. However, the guidance, advice, and recommendations of the Planning & Zoning Official shall not be construed as binding upon the Planning & Zoning Commission or the Town governing body.
- B) MINOR/MAJOR SUBDIVISION DETERMINATION.** Upon receipt of an application, the Planning & Zoning Official shall determine whether the proposal is a Minor Subdivision or Major Subdivision. The Planning & Zoning Official shall immediately forward all applications to the Planning & Zoning Commission, noting whether the application is a Major Subdivision or Minor Subdivision. If the proposal will result in a Minor Subdivision, the application shall be processed in conformance with the procedures and requirements set forth in Section 8. If the proposal will result in a Major Subdivision, the application shall be processed in conformance with the procedures and requirements set forth in Section 9 through Section 11, and shall be subject to all the requirements for subdivision set forth herein. In the event the applicant and the Planning & Zoning Official disagree as to whether the proposal is a Minor Subdivision or Major Subdivision, the application shall be forwarded on to the Planning & Zoning Commission for a determination on whether the application shall be processed as a Minor Subdivision or Major Subdivision.

#### **SECTION 8. MINOR SUBDIVISIONS.**

- A)** The Planning & Zoning Commission shall review the application, hold a public hearing, and make a final determination on the application within sixty (60) days of receipt of the application by the Town.
1. The application for a Minor Subdivision shall be processed and approved by the Planning & Zoning Commission as a Plat heard in a single public hearing, and no Sketch Plat need be prepared. For the purpose of ensuring consistency among subdivision documents filed with the county clerk, the ~~Plat-technical~~ format requirements for a Minor Subdivision Plat shall be consistent with the technical form

- e. The location of all present property lines, projected section lines, and Roadways/Streets.
- f. Existing & proposed conditions of the site and its environs including the following:
  - 1. Present site designation or Subdivision name.
  - 2. Easements on site: location, width, and purpose.
  - 3. Zoning on the site, including all applicable setback lines.
  - 4. Number or letter to identify each proposed Lot and Block;
  - 5. Total area of the proposed Plat to the nearest one-tenth (1/10) acre.
  - 6. The title under which the proposed Subdivision is to be recorded and the name of the land planner, engineer, registered land surveyor, the applicant and the owner of the tract, with the address of each such person to which any notice is to be sent.
- 4. **Consent and Dedication.** Statements signed by the owner or agent of the owner that the Subdivision is developed with the consent and in accordance with the desire of the owner of the land; and
- 5. **Certifications.** The following persons shall make the following certifications:
  - a. Land surveyor. Certification shall be made in accordance with the laws of the State of New Mexico and applicable subdivision ordinances certifying the accuracy of the survey and Plat, the date of the survey, that the Plat was prepared by or under the supervision of the land surveyor, and that all Easements of record are identified thereon.
  - b. County Treasurer. Certification shall be made that the previous ten (10) years' property taxes due and payable have been paid.
- 6. **Disclosures.** A Disclosure Statement is not required for land in a Minor Subdivision. However, the applicant shall ensure the following language appears prominently on the front of each Minor Subdivision Plat:

*This plat was approved in conformance with the requirements of Town of Edgewood Ordinance 2014-03 as it pertains to Minor Subdivisions. The Town does not evaluate minor subdivisions with regard to the availability of water, the availability of off-site sewer services, condition of the road(s) serving the subdivision, grading and drainage requirements, or suitability of the land for building purposes or construction of onsite waste water treatment.*

- D) **Replat.** After final approval of any Minor Subdivision, no Lot shall be further subdivided or the area of the Minor Subdivision shall be modified except upon the submission of a Replat with the Planning & Zoning Official securing its approval in accordance with the procedures herein established. All Replats are subject to the requirements of this Ordinance and shall be processed consistent with the procedures set forth herein.

## SECTION 9. MAJOR SUBDIVISIONS

### A) GENERAL REQUIREMENTS APPLICABLE TO ALL APPLICATIONS.

- 1. **Application.** Upon reaching a general understanding established by the pre-application conference, the applicant shall submit to the Planning & Zoning Commission a written application, together with the original and ten (10) copies of the Preliminary Plat, improvement plans, and other supplementary material as specified herein or as may be

2. **County Treasurer.** Certification shall be made that the previous ten (10) years' property taxes due and payable have been paid.
3. **Authorized representatives of the local water, electric, gas, telephone, and cable utilities.** Certification shall be made that their systems' needs have been met; this requirement may be waived for a Subdivision when the Planning & Zoning Commission determines that the requirements of such utilities are found to be unreasonable or not in the public interest.
- f. **Supplementary Material.** The following supplementary reports shall be submitted with the Final Plat, as required by the Planning & Zoning Commission or the Town governing body.
  1. **Storm Drainage Management.** The applicant shall furnish a plan for the collection and discharge of storm water from the Subdivision. The plan shall provide that the storm water shall not be discharged in a different manner, nor at a greater volume or rate than the storm water would naturally have flowed before development, as specified in the Grading & Drainage Ordinance.
  2. **Soils Analysis.** The applicant shall provide a soil analysis by a qualified soil scientist to determine the adequacy of the soil for the proposed construction.
  3. **Special Problems Analysis.** For land with difficult topography or other geographic hazards to life, health or property, a report and proposed solution shall be prepared satisfactory for the Planning & Zoning Commission and in compliance with all existing ordinances.
  4. **Improvement Plan.** The applicant shall provide a detailed plan with specifications for all Improvements required to be installed. These may include Roadway/Street construction and surfacing, fences, utilities (water, gas, electric, sewage), and fire hydrants. The party responsible for maintenance after development is completed shall also be indicated when applicable, and a statement of willingness to accept maintenance, signed by the responsible party, shall be included. The plan shall include a schedule for Lot development, which shall indicate when Improvements will be provided.
  5. **Disclosure Statement.** Prior to selling or leasing any land in a Subdivision, the applicant must provide a completed disclosure statement to the prospective purchaser or lessee in substantially the form set forth in the attached Exhibit A. ~~A Disclosure Statements is not required for land in a Minor Subdivision.~~
  6. Any other relevant information as determined by the Commission.
5. **Public Hearing.** No Final Plat shall be acted upon without a public hearing in accordance with Section 10 set forth herein.
6. **Action on Final Plat.** If the Final Plat is in conformance with the Preliminary Plat as approved and conforms with this Ordinance, it shall be approved by the Planning & Zoning Commission. Approval or disapproval shall be given within thirty-five (35) days of the date of Final Plat submission, unless the applicant agrees in writing to a deferral.

Planning and Zoning Department

This is to advise you that I, Paula Carol Doyle have decided at this time to withdraw my application for rezoning of my property located at 2008 State Hwy 333 (old 66).

I believe that an error was made on the zoning map when the Town was incorporated in 1999 ( ref. letters dated Nov. 17, 2004 and Jan. 16, 2005 and the documentations submitted to Town with the application) and I am asking that Town correct the oversight to the zoning map and show my property zoned correctly as commercial at your Feb. 18, 2005 Edgewood Town Council meeting.

Sincerely,

Paula Carol Doyle
